

# YUDA EYERABIRWA

Harm.: Tamusuza L.J.K.S.

The musical score consists of four staves of music, each with a treble clef and a bass clef. The time signature varies between 6/8 and 4/4. The lyrics are presented in two columns under each staff, with some words underlined to indicate pitch or rhythm. The first staff contains lyrics for the first eight lines of the song. The second staff continues the lyrics for the remaining lines. The third and fourth staves provide a continuation of the melody and lyrics, likely for the chorus or a repeated section.
